***Condition: 2 semesters in an accompanying German language course**

1) Special foreign language proficiency required

2) English language proficiency required

3) Please see www.irp.uni-osnabrueck.de

4) Information will be given by the Central Student Advisory Services (Zentrale Studienberatung): www.zsb-os.de

○ courses with admission restrictions (only a limited number of study places is available)

The aforementioned Master-courses as well as the study course parts for the Master-courses “Teacher training” are associated to certain **schools** (Fachbereiche): www.uni-osnabrueck.de/3344.html Contact persons (deans, study advisors) are available in each school in case of further enquiries.

There are separate **admission regulations** for every Master-course in which the related **entrance requirements** are published: www.uni-osnabrueck.de/997.html

Before you apply, please check if all criteria for admission are fulfilled. Please also observe the required **minimum mark** stipulated in the corresponding Master-course regulations. If no minimum grade is specified, the minimum grade of 3.0 (converted into the German system), introduced by the University of Osnabrück, is required.
