FAQ - German language courses at the Language Center in the Summer Semester 2020

Will there be a placement test in the Summer Semester 2020?
No, unfortunately no placement tests can be offered this semester.

When do the German language courses start?
There is currently no exact starting date for physical lessons at the University. As of 27 March 2020 physical lessons are scheduled to resume on 02 May 2020. This date is, however, still subject to change. Please check the University’s main website or the website of the Language Center for any updates.

Will you offer any German courses at all during the Summer Semester 2020?
Yes, we will! We are currently working on offering courses online on Stud.IP until we are able to switch back to physical lessons at some point.

Which German course can I attend?
Please attend the German course that is half a proficiency level higher than the course that you’ve completed previously. For example: You’ve successfully completed level B1.1 in the Winter Semester. Now you may join a course on level B1.2.

How can I register for a course?
Please send an e-mail to Claudia Nathaus (claudia.nathaus@uos.de) by 15 April 2020. Include the name of the course you would like to attend in the Summer Semester and, if you have already attended a course with us, let her know the name of the last German course you took at Osnabrück University.

Where can I get further information?
If you do not know which course you should attend or if you have any other questions, please contact Dr. Christiane Beinke (christiane.beinke@uos.de) or Claudia Nathaus (claudia.nathaus@uos.de) by e-mail.

How do I get my certificate of achievement from the previous semester?
If you need a certificate of achievement for a course you have already attended at the Language Center, please write an e-mail to Corinna Sonntag (csonntag@uos.de).
