Welcome to Osnabrück University!

The Pre-sessional German Language Course “Studying and living in Osnabrück” is hosted by Osnabrück University, a young and lively university which is well known for its research and teaching programs in the Humanities, Social Sciences, Natural Sciences, Law and Business. Osnabrück is a beautiful and safe city, situated in the north-west of Germany. Because of its eventful history, Osnabrück is one of the 14 members of the “Historic Highlights of Germany” association.

Studying and living in Osnabrück

Organized by the Language Center, this course will prepare international students for their stay, studies and research in Osnabrück. We will offer the course on levels A1 to B2 and focus on:

- Training of all four communicative language practices (reception, production, interaction, mediation) in German
- Topics related to living and studying in Osnabrück (getting to know the campus and the city as well as basic aspects of German civilization and culture)
- Excursions to sights in Osnabrück and a variety of cultural, social and outdoor activities.

Language classes will be held in the mornings, from Monday to Friday (a total of 50 lessons). In the afternoons we will offer cultural, social and outdoor activities, which will be in tune with the course’s content and objectives. We welcome all international students, exchange students from partner universities and Erasmus students enrolled at Osnabrück University for the Winter Term 2022/2023 to participate in the program. All participants are required to take a placement test on the first day of the course (see [www.onset.de](http://www.onset.de)).

Certification and credits

Regular participation is required in order to receive a certificate of participation at the end of the course. After successfully completing the course, students will receive 4 ECTS credits. However, please note that no final grade will be awarded for the course.

Program fee and accommodation

The program fee is € 395. Housing is excluded, but the International Office will support students from partner universities and Erasmus students in finding a room in one of the local student dorms (costs vary between € 162 and € 263 per month).
