

Certification of an Individual Development Plan (IDP) for Doctorates

This document certifies that the doctoral candidate

Name

and their supervisor

Name

have drawn up an Individual Development Plan (IDP) in support of the candidate's intended doctoral project, which includes a dissertation entitled

Working title, field

The IDP includes agreements relating to the framework of the project, a supervision agreement, and a commitment to comply with the principles of good scientific practice. It also includes agreements on issues relating to further qualification and training in the candidate's specialist field, transferable skills, and individual career planning.

The IDP is drawn up at the start of the candidate's doctorate and is regularly updated during work-in-progress discussions between the supervisor and the doctoral candidate.
