

***Blended Intensive Programme Summer School – February 2026
at the Babeş-Bolyai-University in Cluj-Napoca, Romania***

**CONFLICT RESOLUTION FROM THEORY TO PRACTICE
An International and Multidisciplinary Approach**

Blended Intensive Programme

A Blended Intensive Program (BIP) offers the opportunity for a short stay abroad funded by Erasmus+. Its unique feature is the combination of a virtual and a mobile phase. Babeş-Bolyai University in Cluj-Napoca, Romania, is organizing a summer school on the topic of “Conflict Resolution from Theory to Practice” as part of a BIP, with a virtual phase from February 11-12, 2026, and a mobility phase from February 16-20, 2026. Participation in both phases is mandatory. The language of instruction is English. On virtual seminar days, there will be an online event lasting approximately 5-6 hours. The on-site seminar days consist of teaching units combined with a cultural program. Participants will include students from the host university as well as other European universities participating in the program. Further information on the instructors and course content can be found in the [flyer from Babeş-Bolyai University](#).
