Greetings from the yellow castle

Dear colleagues,

our network of PhDs and postdocs working at the university is still expanding. We have been joined by quite a number of new people lately. Welcome to all of you!

Mails:

In order to make sure that you are all included in our virtual network, please let me know if there is an international colleague out there who is not getting these mails. Also let me know if you would like me to use another address for you than the one I am currently using.

There is also a special mailing list for postdocs. Those of you who belong to this group can register for this mailing list. Here is the link: https://list.serv.uni-osnabrueck.de/mailman/listinfo/postdocs. Unfortunately, the online form for the registration process is in German. However, if you need help completing it, simply make an appointment with me and I will assist you. Also, all the mails sent via this list are in English. The postdoc group at the university meets once a month during the semester. The next meeting should therefore be in October. Details will be communicated via the mailing list. The group also uses English during these informal, monthly get-togethers.

Movies:

Speaking about postdocs: Two of our postdocs – Helena Radke and Maja Kutlaca – had the good idea of suggesting a more informal get-together amongst international members of staff. They came up with the idea of meeting once a month to see a movie in English at Cinema Arthouse in Osnabrück. Thank you so much for this idea, you two, and thank you for offering to organise this. Please see the attachment “Movie Magic” for more information.
Greetings from the yellow castle

This is YOUR network. Thus, if anyone else has any other ideas in terms of how you can support each other as a group, please tell me and I will try and support you again as best as I can in putting your plan into action. Just do not ask me to try and help you organise a revolution. I am afraid there is not enough time in my schedule for that 😊.

Moving in the fresh air:

I am also attaching an invitation to a day out in the forests around Bad Iburg. It would be lovely to have as many as possible of you there.

That was it for the moment. As always, please do not hesitate to contact me, if there is anything you think I may be able to do for you!

Warmest regards

Debbie
